DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

In line 6 of claim 22 the phrase "a first play distance from said base" is unclear in light of the third play (b) which is described as being present in the radial direction and, thus, measured with respect to the base.

Examiner recommends amending the claim to avoid confusion between

the first play distance from said base and the third play (b).

Prosecution on the merits is closed in accordance with the practice under *Ex* parte Quayle, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO**MONTHS from the mailing date of this letter.

Response to Arguments

2. Applicant's arguments, see pg. 5, filed 11/13/06, with respect to the 35 USC 103 rejection of claim 20 have been fully considered and are persuasive. The 103 rejections of the claims have been withdrawn.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Melody M. Burch whose telephone number is 571-272-7114. The examiner can normally be reached on Monday-Friday (6:30 AM-3:00 PM).

Application/Control Number: 10/629,674

Art Unit: 3683

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James McClellan can be reached on 571-272-6786. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
